Public Comment: No public comment

Mayor Thielen asked if anyone had any comments or questions about the last meeting that was held on January 28, 2025. No comments or questions. Councilwoman Miller stated that she believed that all that was needed was for someone to make a motion to move forward or not with the PER. Councilwoman Miller recommended that we move the discussion to the regular council meeting for a vote. With all council members in agreement to move the topic to the regular council meeting, and having no further business the decision was set for the PER grant to the regular council meeting for a vote.

Mayor Thielen adjourned the public meeting at 6:17 p.m.
